Sustainable tourism &Olives Travel

6 PILARS FOR SUSTAINABILITY &OLIVES TRAVEL

1. The hotel or accommodation has a sustainable tourism policy
2. Active protection of nature and environment
3. Active attention for environment and climate: avoid waste and pollution
4. Respect for culture & tradition: honour cultural traditions
5. Respect for humanity: attention for local inhabitants and local economy, e.g. local agents, local products, biological kitchen
6. Business & Hospitality: sustainable information is given to the guests and guides are trained
